SSPC TECHNICAL COMMITTEE MEMBERSHIP APPLICATION

Please complete the form below. Only one voting representative per company is permitted on any committee. Committee membership may be restricted in order to maintain a balance between suppliers and users/general interest members of a Unit committee. Members of SSPC Technical Committees are required 1) to be Individual Members of SSPC in good standing and 2) to respond by the requested deadline to mailings from committees of which they are members. A committee member who fails to respond to more than three consecutive Unit committee mailings will be removed from the roster of that committee.

Name: _____ Phone: _____
 Title: _____ Fax: _____
 Company: _____
 Address: _____
 ID No.: _____

Relevant Experience/ Expertise: Please describe any relevant technical/professional experience or expertise which you feel qualifies you to participate in the activities of any of the Unit Committees listed below.

I would like to be added to the roster (s) of the committees listed below. (Please note that only one voting representative per company is permitted on SSPC Unit Committees.) Unit committee members are automatically members of Group Committees of which the Unit is a part.

Committee Number	Committee Name	Add as Voting Rep	Add as Non-Voting Rep
