Use Your Flex Points for Books

Your SSPC Membership entitles you to a certain number of **Flexible Benefits Points** based upon the membership level you choose (Patron, Sustaining, etc.). You can use these “Flex Points” for SSPC publications, extra individual memberships, training discounts and more. To use your points on books, please choose the titles from the SSPC Products Catalog and return your order at any time during your membership. **One Book/Publication = 4 Flex Points**

Note: Flex Points can be used on any publication **published** by SSPC, however sets like Vol. 1 and 2 count as **two (2)** selections. Books sold by SSPC but published by outside sources are not available using Flex Points.

Flex Points to be use for Publications =

Publication titles and catalog numbers:

1. _____
Title / Catalog Number

2. _____
Title / Catalog Number

3. _____

SSPC brings together the information, training and technology needed by coatings professionals to assure quality protective coatings projects.

Facility Owners

Flexible Benefits Worksheet

SSPC's Flexible Benefits Points allow you to customize your membership to get the most value for your company. The number of points you get is determined by your level of membership. Flex Points can be used on training courses, books, CD's, individual memberships, QP program fees and more. **NOTE: All points MUST be used each year. Points DO NOT carry over when you renew your membership the following year.**

Choose Your Benefits

Please select your benefits based on the tables below. Dollar values are listed for reference purposes only.

To use the worksheet, identify whether you are joining SSPC as a Patron or Sustaining Member, then:

1. Choose an option from the "Benefit Options" column
2. Indicate in the "QTY" column how many of that option you are requesting
3. Multiply the QTY by the Point Value
4. Enter that total in the last column and then summarize your points in the gray box.

Example: You decide to use Flex Points for 3 individual memberships. Find "1 Individual Member" in the "Options" column. You see that it's worth 1 point. Enter the number "3" in the "QTY" column and then multiply 1 point x 3 QTY = 3 Total Points.

Patron CFO Benefit Options (25 points) Sustaining CFO Benefit Options (66 points)	Dollar Value	Point Value	QTY	Point Total for Each Item
1 Individual Member	\$100	1 point		
1 Book	Avg \$125	4 points		
Fundamentals of Protective Coatings (C1) eCourse	\$795	15 points		
Planning/Specifying Coatings (C2) eCourse	\$795	15 points		
Marine Coatings (MARINE) eCourse	\$795	15 points		
Quality Control Supervisor (QCS) eCourse	\$395	6 points		
Applicator Training Basics (ATB) eCourse	\$395	6 points		
Basics of Steel Surface Preparation eCourse	\$295	3 points		
Basics of Concrete Surface Preparation eCourse	\$245	3 points		
Basics of Non-Ferrous Metal Surface Preparation eCourse	\$245	3 points		
Training Discount Coupon	\$200	6 points		
Conference Coupon	\$550	5 points		
TOTAL CFO BENEFIT POINTS
